Subject: Gold King Mine Incident Command Note
ICP Transition E-mail - 24 Sept 2015.docx

Ron, Jared:

Attached is a note that I and Althea Foster, the current incident commander, plan to send out tomorrow morning regarding the incident command structure for the Gold King Mine Site Response. Please let me know if you have any comments ASAP.

Once the final is sent out, I ask each of you to send this out to your senior leaders involved in the response along the lines of the proposed forwarding note.

Thanks,

Mathy Stanislaus
